

# HANDICA

Braided C.F. - Nylon 6 Cord

Handica is manufactured by Triveni Textiles from the highest quality pre-stabilised, continuous filament Nylon 6. Handica is an excellent sewing thread for all types of natural leather and synthetic hides.

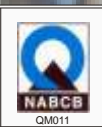

Handica is treated with our own blend of lubricants and waxes, which imparts excellent control of friction during hand or machine stitching, consistent stitch even on most difficult fabrics or leather.

Handica is produced on the most modern Italian braiding machinery using standardised processes at all stages. Raw materials are selected carefully to ensure outstanding quality and guarantees consistent high standards in quality.

Handica like all threads from Triveni Textiles is manufactured in accordance with an overriding ecological principal, meets all requirements of the Oeka Tex standards 100. Handica is available in more than 48 colours and many more shades as per customer's requirement.

An ISO 9001 : 2008
